# Introduction

## With the Middle School gone, we inherited some new space to expand and try new ideas.

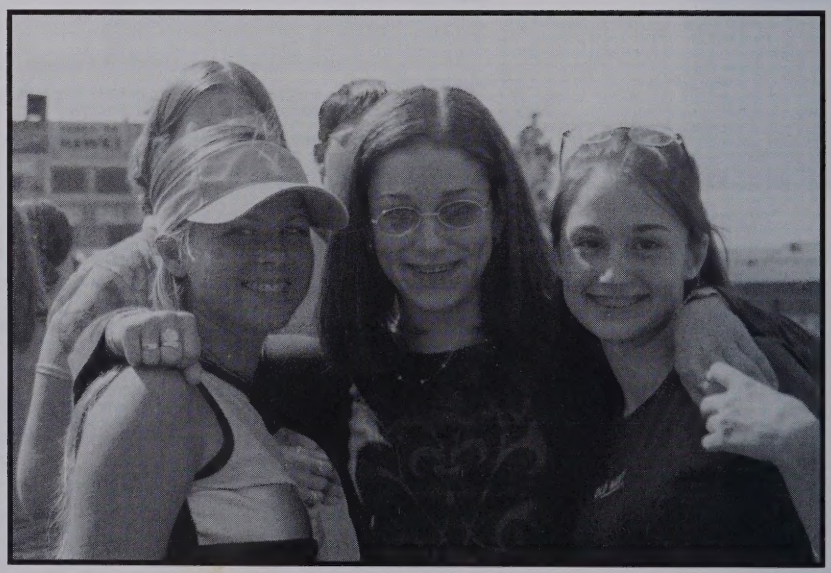

**Each year the Yearbook Staff strives to create a bigger and better book than the year before.** This year it was an especially difficult assignment because last year's book was a tough act to follow. But with the Middle School moving to their own campus and producing their own yearbook, we inherited some new space to expand and try some new ideas.

This year-long project is an excellent lesson in teamwork and collaboration. The 2001 Staff members came together to introduce and combine their many different ideas in order to produce this year's annual.

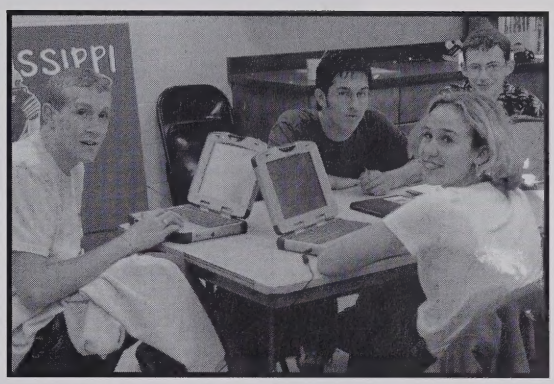

A lot of creativity and effort was put forth in creating this yearbook. This year we added several new topics to the *Student Life* section. We also tried to focus on some of the people and aspects of every day life at HHS that we may normally tend to overlook or take for granted. We start-out the book with the best example of this effort– our dedication.

The Staff also created an updated "New Millenium" design for this year's book. It all starts with the original wrap-around cover art by our own Devin Busha and continues inside with new-look page layouts and dividers in each section that tie-in with the cover design.

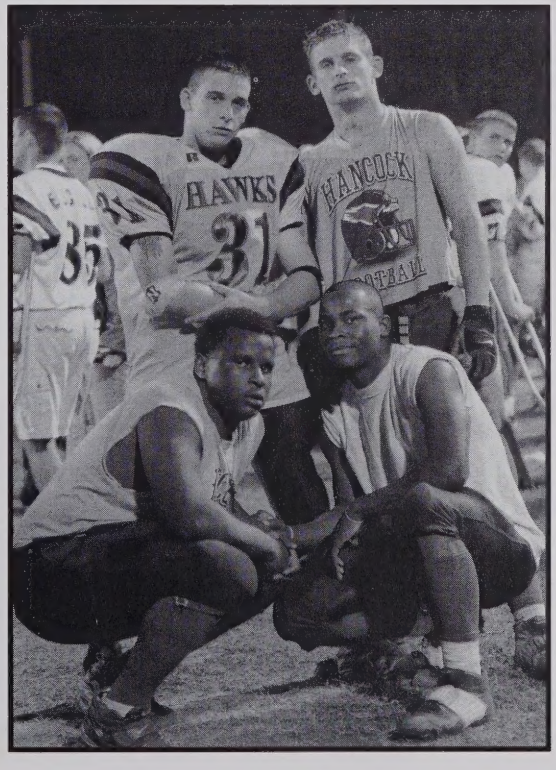

This year we also used a more natural "freestyle" approach with our Who's Who photos in an attempt to bring out the individual personalities of the winners. These were set-up in the library and shot taking advantage of natural morning light against a neutral backdrop. It was a lot of fun and we didn't even leave campus.

We've always talked about it, but we've never done it, until now... for the very first time ever... ta–dahh (drum roll please) – **AN INDEX in the back** so you can easily find everybody. It took quite an effort but Becky Marziale kicked it off and we all jumped in to help her push it to completion.

With nearly 1200 students enrolled at HHS, we tried to include as many different faces as possible– faces that you will remember twenty years from now when you thumb through this book one more time. We hope that every time you open this book, whether it's in one year or twenty years, that you will find something that will stir your memories of these ***days of future past***.

– Cristina Sequeira

# Dedication

## In one way or another, her work affects each and every student and staff member here at HHS.

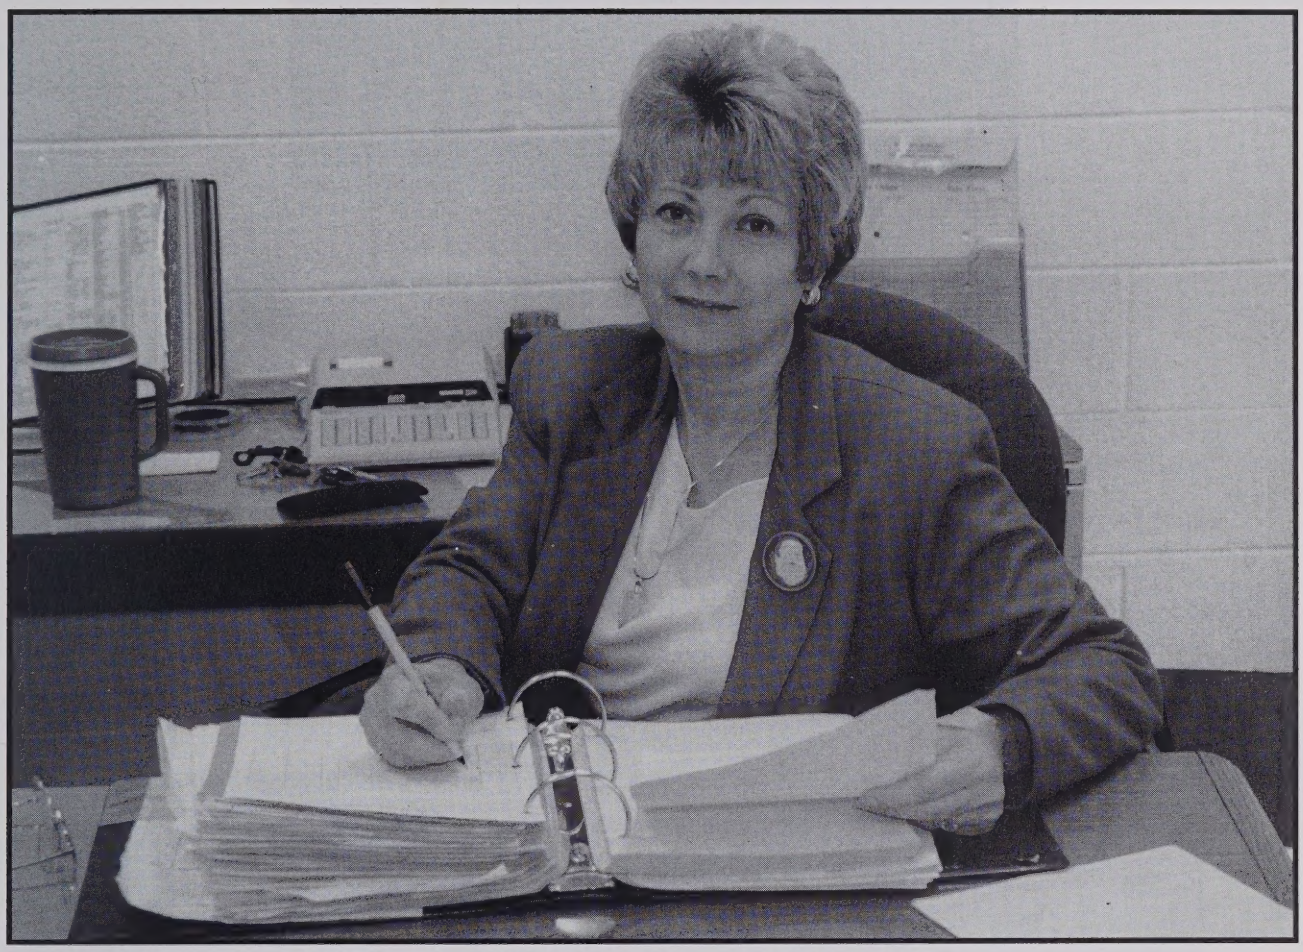

**For our dedication this year, the 2001 Yearbook Staff tried to go behind the scenes and bring a person to light who might not get all the credit that they really deserve.** After considering several excellent candidates, we chose a person that some of you at HHS may have never even seen. But she starts her day at 6:30AM every day and is hardly ever absent. And in one way or another, her work affects each and every student and staff member here at HHS. This peach of a person is Ms. Lameitre Ladner.

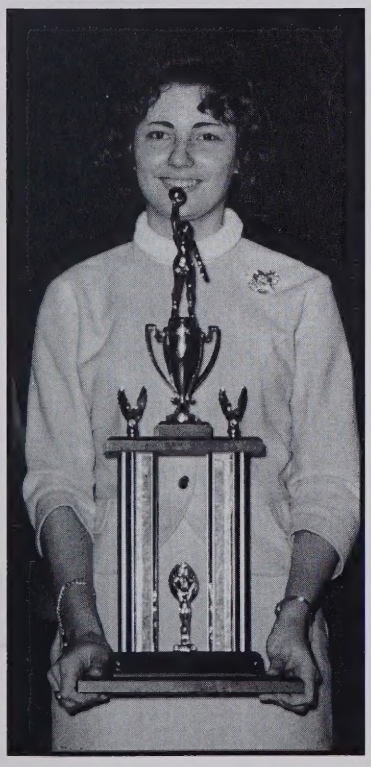

Ms. Ladner is a life-long resident of Hancock County, and a graduate of the Hancock County School District. She first began her employment with the district in 1967 as secretary to the Superintendent. During the mid seventies, Ms. Ladner transferred to Hancock North Central as the elementary secretary. In 1985, she became the high school secretary and data entry operator. Today, Ms. Ladner serves as bookkeeper here at Hancock High School.

Ms. Ladner has two children– a son, Rhett, and a daughter, Arlette. Rhett lives in Hattiesburg, has two children, teaches Tech Discovery and is assistant football coach at Perry Central, and is working on his Master's at USM. Arlette lives in Hancock County and is a Chiropractor in Poplarville. Ms. Ladner loves spending her free time with her children and grandchildren, but can also be found working with her yard and flowers.

Occasionally, we hear a rumor that Ms. Ladner is about to call it quits and retire her calculator to spend more time with her family. We know it's going to happen sooner or later, and when it does, HHS and the Hancock County School District will certainly miss her. Anyone who has ever worked with Ms. Ladner through the years knows what a wonderful person she is. We do, and that is why we want to take this opportunity to dedicate our 2001 Hawk Yearbook to her. We're lucky to have her.

–2001 Hawk Staff

Normally very camera shy, Ms. Lameitre Ladner can usually be found hard at work checking to make sure all the numbers balance out correctly.

For your viewing enjoyment, to the left and below are a few flashbacks from her past. (Thanks to her sister Marlene.)

# Class of 2001

## We have been through so much together...

**As our Senior Year comes to an end, it is difficult to sum up all that has happened and all that it has meant.** All of the ball games, schoolwork, parties, and exams that never seemed to end are all worth it now. We have arrived at an exciting turning point in our lives. The past seems so distant, but so real, and the future is new and uncertain. The relationships, heartaches, movies, field trips, and fundraisers all have one thing in common – they brought us together. High school has taught us to live together and love together. The support we have received from each other has formed a bond between us, the Graduating Class of 2001, which can never be broken or replaced. We have been through so much together that we will be a part of each other's lives. Whether you choose to view it as closing an old book or opening a new one, we have written that book together.

We all know that after graduation we will be going our separate ways. Whether it means going off to college, into the work force, or into a marriage or family, each of us will be given new roles. We will become college freshmen, employees, spouses, or parents. As hard as it has been to suppress it, the time has come for us to admit that we have grown up.

As we say farewell to the old and greet the new, it is important to remember who helped us to get here. Our family and teachers all played an important role; but we could not have done it without each other. On graduation day, as you walk this campus for the last time as a student, take a moment to look to your loved ones and friends; realize the part they played in your success. As hard as it is to say goodbye, it is now time to say hello to what the world has to offer us. The present time in our lives is truly a gift. It is time to open this gift and enjoy it... we have earned it.

# SENIORS

**Senior Class Officers, L>R: Jessica Crittenden (V-Pres), Jessica Spangler (Treasurer), Alison Walsh (Pres), Danielle Necaise (Secretary)**

# Hall of Fame

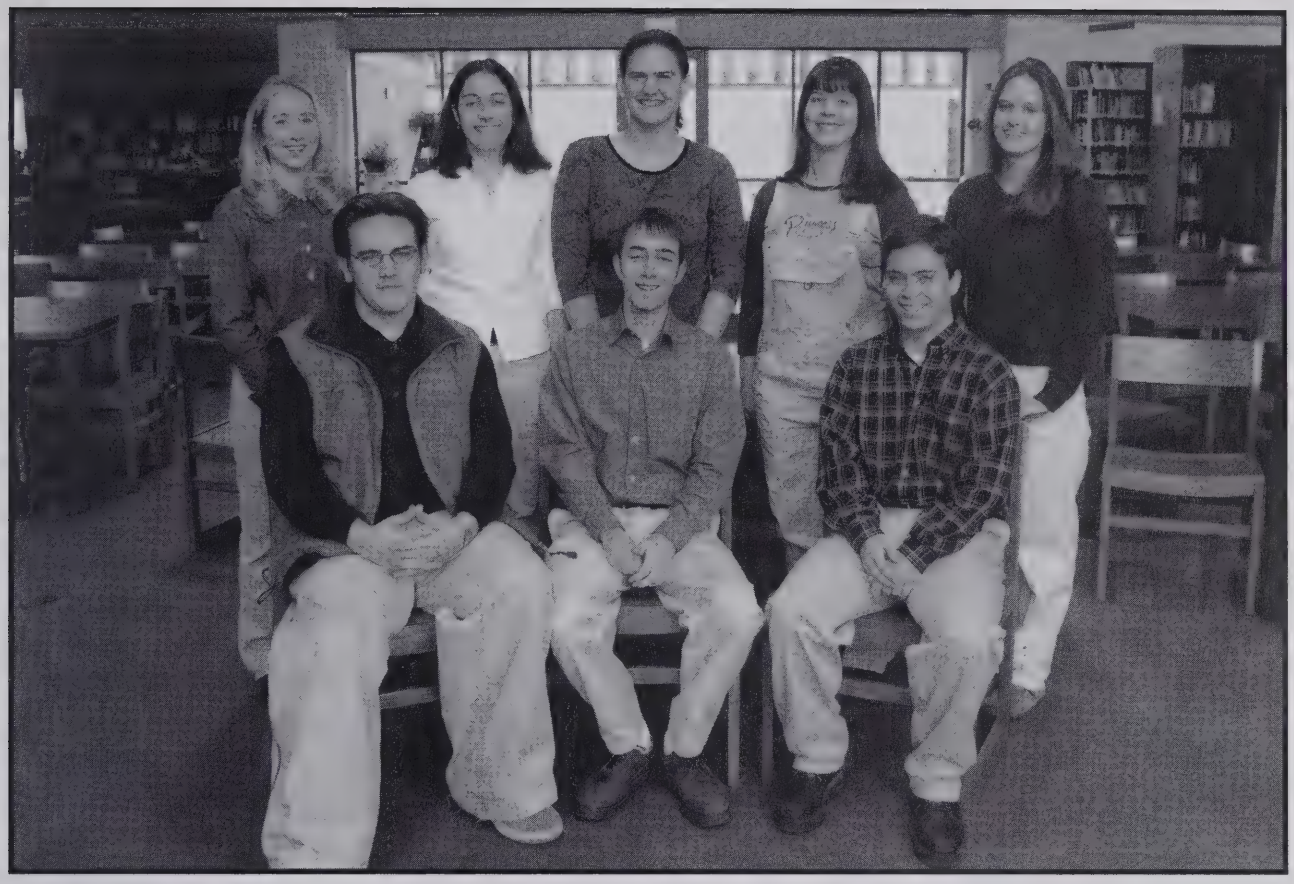

## This year's eight inductees bring a really mixed bag of interests to the Hall of Fame.

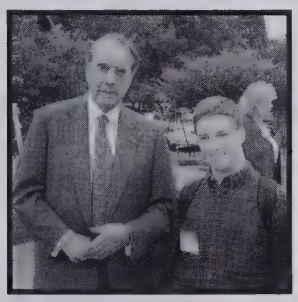

Hancock High School's Hall of Fame represents a select group of Senior students who have outstanding academic records, leadership skill, character, citizenship, and community service. To be eligible, students must have attended HHS for at least two years. No more than 5% of the Senior Class can be accepted into the Hall of Fame each year.

***Members...*** *L>R: Mandy Hall, Laura Silas, Alison Walsh, Kevin Allemand, Jessica Crittenden, Jessica Spangler, Daniel Hamburg, & Jonathan Peel.*

*"Finally, all of the hard work that was done in the beginning has paid off. This is simply my finest hour."*

***–Kevin Allemand***

*I will always cherish my years at HHS, for they were the stepping stones to my future. I feel that being involved in so many activities has built my character and increases my strength to achieve my goals."*

***–Jessica Brook Crittenden***

*"Through my high school years I have worked hard at accomplishing many goals. Being accepted into the Hall of Fame reflects upon the goals I have met and plan to meet. It is not only a great honor, but also a chance to haunt my younger brother through his high school years while I'm at Mississippi State studying to be a veterinarian.*

*"Being in the Hall of Fame means more than a page in the Yearbook and a picture on the wall. It means hard work and dedication have paid off. Most of all it means that the inspiration from my teachers, family and friends has pushed me to the top amongst the select few."*

***–Mandy Hall***

*"Every once in a while its nice to look back on the things I have done in my life and see that my accomplishments overshadow my failures. It certainly helps me wake up in the morning with a smile on my face."*

***–Daniel Hamburg***

*"During the course of my high school career, I have always strived to do my best, and now that I have been honored to be in the HHS Hall of Fame, I knew that all of my hard work has paid off. The one piece of advice that I can give to the underclassmen is that you should never think that someone else is cuter, smarter, or better than you because the only thing that matters is that you try your best. Being at Hancock has been the greatest time of my life. I will miss everybody involved with the school and all of the great experiences that I have had here."*

***–Jonathan Ray Peel***

*"Mom, Dad – I finally made it! Being inducted into the Hall of Fame is an honor that rewards me for four long high school years. I would like to thank God, my family, my two best friends– Mandy and Jessica, my love– Justin, and my buddy– Mr. K. Golding, for all the motivation, support, and love that has helped to shape my life."*

***–Laura Silas***

*"High school has been very exciting, eventful, and challenging, but it will always hold some of my best memories... I experienced my first pep rally, my first football game, and also my first true friends. I participated in many activities, like clubs and band. I met many people through these activities, and I had a blast. The best part about high school was all the awards and honors that I earned. High school is full of memories that I will always cherish."*

***–Jessica Spangler***

*"It's a great honor to have been selected into the Hall of Fame. I want to let my mother and family know how much I appreciate their guidance and support throughout my High School years. I want all of my close friends to remember that they will always hold a special place in my heart. I also want to thank the teachers that made an impression in my life. I would also like to thank Mr. Shaw for taking all the pictures of me for the yearbook. And I want to leave everyone with these words: Remember that with God, all things are possible and that he never gives a person more than he can handle."*

***–Alison Walsh***

# STAR Student

## The 2000-01 STAR Student is Jessica Spangler, who then selected Mr. Daryl Ladner as STAR Teacher.

**The Mississippi Economic Council and its M.B. Swayze Education Foundation sponsor the Student Teacher Achievement Recognition (STAR) Program in an effort to encourage scholastic achievement among the state's high school students.** The STAR Program, now in its 34th year, has two specific purposes: 1) Emphasis upon scholastic excellence and the encouragement of greater scholastic effort among Mississippi Students, and 2) Recognition of the teaching profession.

The STAR Student is selected by the highest permanent-record-label ACT score on file in the high school office. If a tie exists (which happened this year), the highest overall scholastic average on selected subjects is considered. The STAR Student is then asked to designate his or her STAR Teacher who has made the greatest contribution to the student's scholastic achievement.

**This year's STAR selections are Jessica Spangler and Mr. Daryl Ladner.**

**Jessica Spangler's Honors/Activities:**

Beta Club, National Honor Society, Mu Alpha Theta, V.I.C.A., Student Council, Homecoming Court, Hall of Fame, Class Officer, and Colorguard Member. After graduation, Jessica plans to attend Mississippi State University and pursue a degree in engineering.

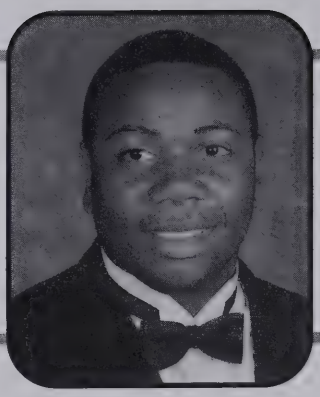

Jessica selected Mr. Daryl Ladner as STAR Teacher because "not only has he been my teacher for three years, but he was also the one person I knew I could always turn to". Mr. Ladner teaches drafting in Vo-Tech and was Hancock County's 1998 Vo-Tech Teacher of the Year. This is his first time to be selected as a STAR Teacher.

I feel honored to have been chosen as Ms HHS. I feel that my classmates have chosen me for this honor because of my leadership qualities and because I have worked hard on school related issues. During the past years, I have seen many changes at HHS, including the distribution of laptops and the building of the new Middle School. I would still like to see a nice sign at the school's entrance on Hwy 603. If I ever become rich and successful one day, I would like to donate a swimming pool, tennis court, golf course, and a charter bus for basketball teams to travel to state competition. My best memories of HHS are 2000 Prom, ballgames, and times with my classmates. One person I would like to thank is Ms. Haleigh Cuevas for being an inspiration to me in the classroom, gym, and community. If I could change the past, there isn't anything I would do differently at HHS. I would like to tell the Class of 2002 to never give up on yourselves and enjoy your senior year, because, it will be over before you know it. I hope the Class of 2001 will remember me as a great friend who would do anything I could for them.

**– Alison Walsh**

It is an honor for me to represent the Class of 2001 and HHS. I think my class mates chose me because I have strived to be the best student and best athlete possible. I also do my best to represent HHS with pride (Hawk Pride). I really wish that all students would take advantage of the great opportunities they have at this school. Some things I will never forget at HHS are class field trips, pep rallies, basketball games, time I spent with my friends, and graduation. I also will always remember Coach Michael Ladner for teaching me to never be satisfied – I can always do better. One day I would like to be able to help HHS upgrade the athletic facilities at HHS. If I could turn back time at HHS, there are probably a hundred things I would do differently. But I would definitely start working toward my goals as a freshman. Time goes fast, and if you don't start early, you will always be behind. To next year's class I would like to advise – work hard and stay focused, there is always a reward at the end. I would like to be remembered as an outgoing person who worked hard at his goals. But just being remembered would be nice!

# Class of 2002

## This is when we realize that we have only one year left.

**As our high school years slowly but surely draw to an end, we start wondering where life will lead us in the future.** All of our high school experiences are a way of preparing us for what is to come. We find out who we are and where we want to go. This is when we realize that we have only one year left. Our senior friends graduate and we wake up to find ourselves in their shoes, taking Senior Portraits, ordering invitations, and applying to colleges– making plans for our future... **Scary, huh?**

Before we bury ourselves in college applications and thoroughly stress ourselves out, remember what you have now. This moment is ours! Remember that we are lucky enough to be part of a class that understands what it is like to be life-long friends. Never forget the day we completed our homecoming float and won the homecoming spirit belt. Never forget the day we received our class rings, or the day we finished our term papers. Those were the days that we will look back upon and miss.

As for now, enjoy it while it lasts and live it so that one day we will look back at this yearbook and have no regrets!

– Shelly Paige

*Another turning point*
*A fork stuck in the road*
*Time grabs you by the wrist*
*Directs you where to go*
*So make the best of this test*
*And don't ask why*
*It's not a question*
*But a lesson I learned in time*
*It's something unpredictable*
*But in the end it's right*
*I hope you had the time of your life.*
– Green Day

# Class of 2003

## Turning sixteen this year, most of us are allowed more personal freedom.

**As we make our way through another school year, we slowly begin to realize that our time at Hancock High School is growing short.** Sure we have two more years but we are beginning to understand just how quickly time flies.

Happily, we are no longer freshmen this year. As sophomores, we have more electives from which to choose, and our classes are more interesting. Turning sixteen this year, most of us are allowed more personal freedom– such as getting a driver's license. Yeah!

With approximately 285 students in our class this year, we are very diverse – but we grow closer with the passing of each year. We have had several accomplishments this year. After diligently working long hours on our homecoming display, it finally paid off when we won 1st prize for our theme "Bow Down to the Hawks". We have also managed to maintain the lead throughout the year in the Best Attendance race.

Next year we will set higher goals and make bigger accomplishments. We will have lots of new experiences to look forward to (prom & term papers) and everything to gain. This is our time.

# Class of 2004

## The Class of 2004 is by far the largest freshmen class to come through Hancock High School.

**Our year in ninth grade gives us a start for all of our dreams so far.** With about 395 students, the Class of 2004 is by far the largest freshmen class to come through Hancock High School. And we have big plans for our big class.

As this year comes to an end, we reflect on our first year's worth of HHS memories. We made our presence known immediately by winning several pep rallies. Participating in this year's homecoming was a new experience for us but we put forth a great effort and made a place for ourselves. Our Homecoming Display showed 'em what it was like to see the Hawks "On Top of the World". Next year, we look forward to ordering our Class Rings and winning more pep rallies.

Being the largest freshmen class ever at HHS makes us strive to also become the largest graduating class at HHS. So, let's stay united as one and see just how many of us can still be here to receive our diplomas and toss our caps into the air.

Let's end this year with success and keep one thing in mind:

Remember the glory
as you open a new door,
for we are the class
of two thousand and four.

– Brooke Necaise & Friends

*I hope you still feel small when*
*you stand beside the ocean,*
*Whenever one door closes*
*I hope one more opens,*
*Promise me that you will*
*give faith a fighting chance,*
*And when you get the choice*
*to sit it out or dance,*
***Dance... I hope you dance.***

# Faculty/Staff

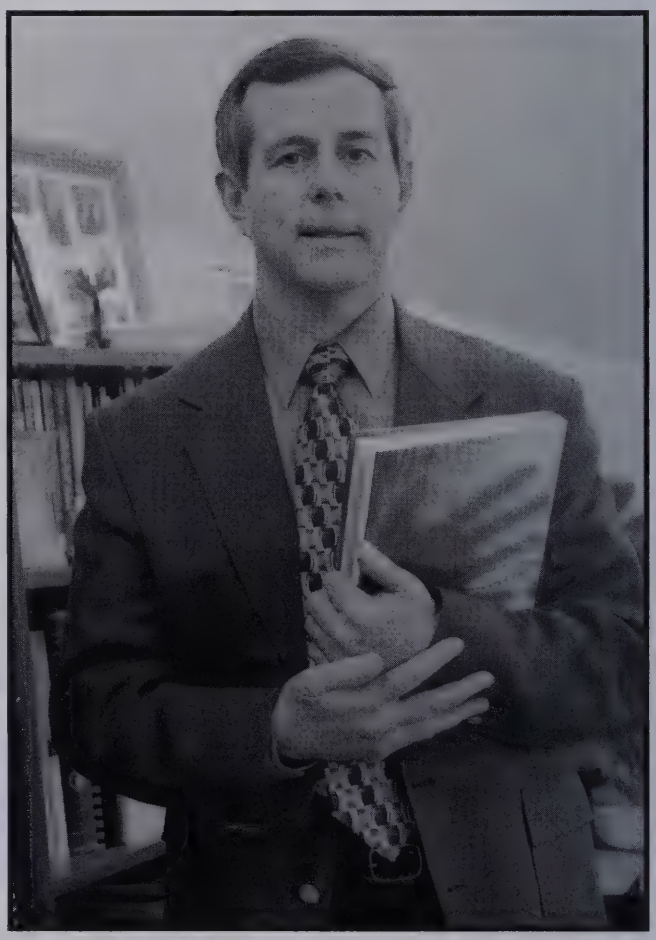

## Go forward young people and do good things.

Allow me the opportunity to commend the faculty and staff for their very dedicated and unswerving devotion to our children. You continue to perform tirelessly so that each and every child will be afforded the best opportunity possible to become successful. It is overwhelmingly obvious that we all have a common goal to place "Kids First".

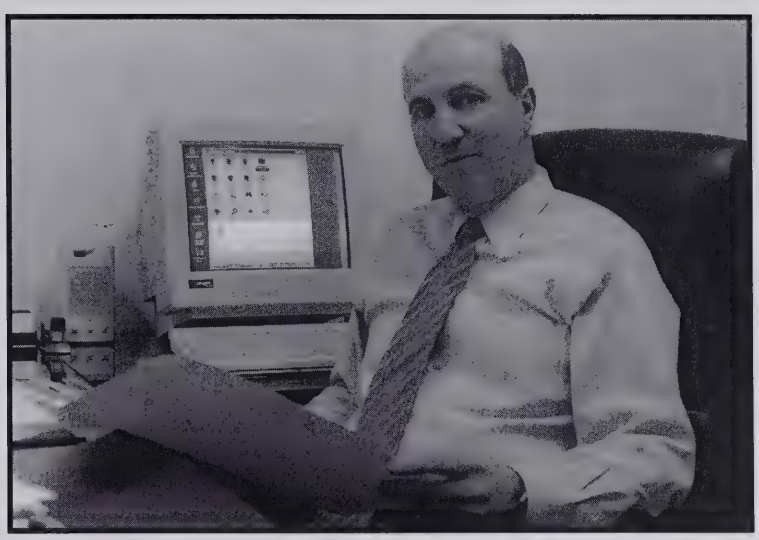

Congratulations to the class of 2001. I hope your high school experience was one that you will look back upon with fond memories. Those days are probably the best days of your lives. You've grown both physically and mentally and developed meaningful relationships with your classmates. Now, it's time to move onward with your lives and put to use what you've learned to this point. Go forward young people and do good things.

I personally feel there is no greater call than to serve and gladly accept the challenge. We must endeavor to labor rigorously toward teaching and learning. I challenge all those involved in both endeavors to become a beacon of light for others who may be faltering. This is the American way! I wish all of you continued success and always remember the red, white, and blue with "Hawk Pride".

Sincerely, Mike Ladner
Superintendent of Education

# Acting Bad? See Our Resource Officer

Before Lt. Ray Billeaud became our School Resource Officer, he was a patrol deputy with the Hancock County Sheriff's Department. Now he spends his time checking student attendance and trying to find out why somebody has not been in school for four straight days. Student I.D. cards would make his job a lot easier and also help to secure our campus. Lt. Billeaud enjoys knowing that we all feel safe at our school, and he wants everyone to know that they can feel free to talk to him about any problems.

**We want to say thanks for being here, Ray!**

# Feeling Bad? See Our School Nurse

Ms. Ella-Mae Penton has been our school nurse for the past three years, but she has been in the nursing profession for 18 years. She taught EMT at PRCC for four years and studied emergency medicine for ten years. Ella-Mae is a member of the Emergency Nurses Association. Here at HHS, she treats about 14,000 student visits each year. The most important thing in Ella-Mae's life is being a Christian. She plans to continue to take care of us here at HHS for as long as she can.

**We feel better already just knowing that!**

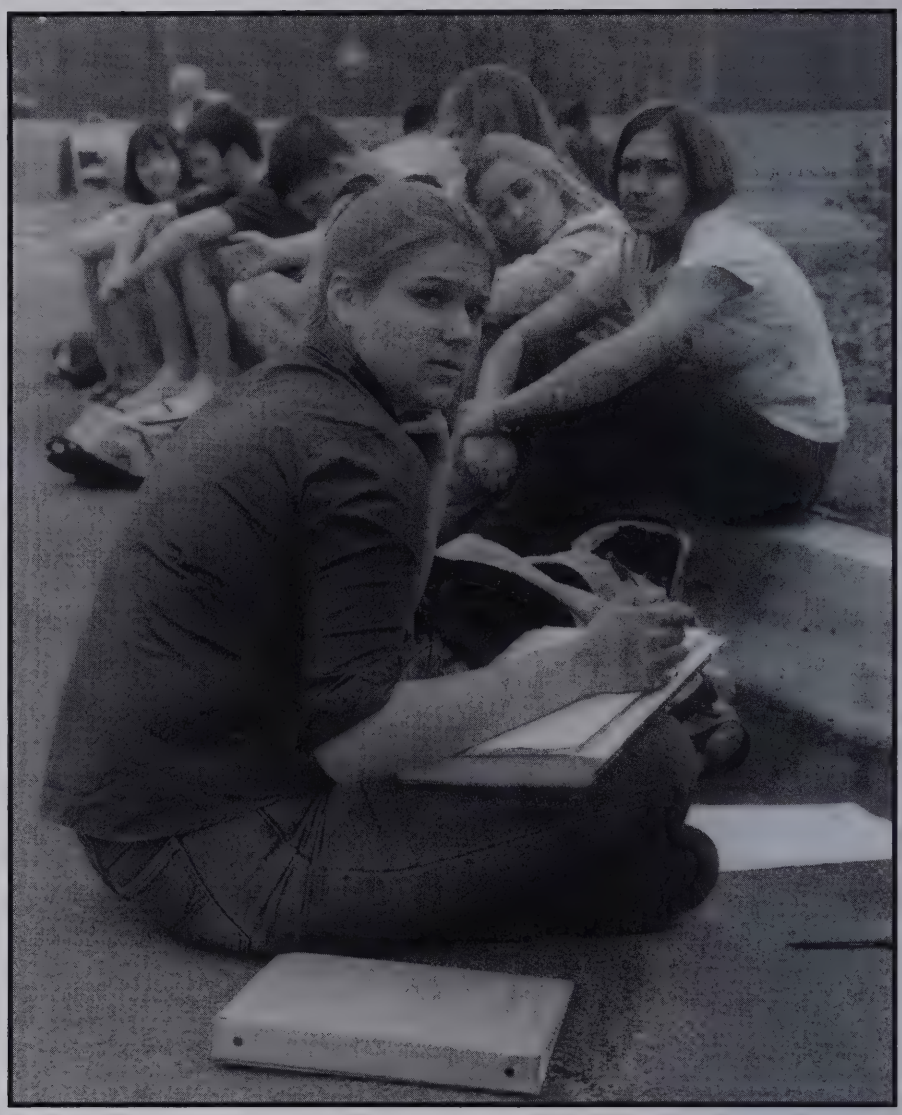

# Our Code – Always Be Prepared

At the beginning of each school year, teachers instruct their students on how to react during emergency procedures. These procedures are practiced throughout the year during "Code F" and "Code W" drills. When we have a "Code F" fire drill, students are ushered out of the buildings to a designated location and assembled in groups. There we sit, quietly waiting further instructions or the signal that it's OK to return to our classrooms. During a "Code W" weather drill, we take our places in the designated hallways. We always hope that no real emergency ever happens, but at least we know that we have done all we can to be prepared.

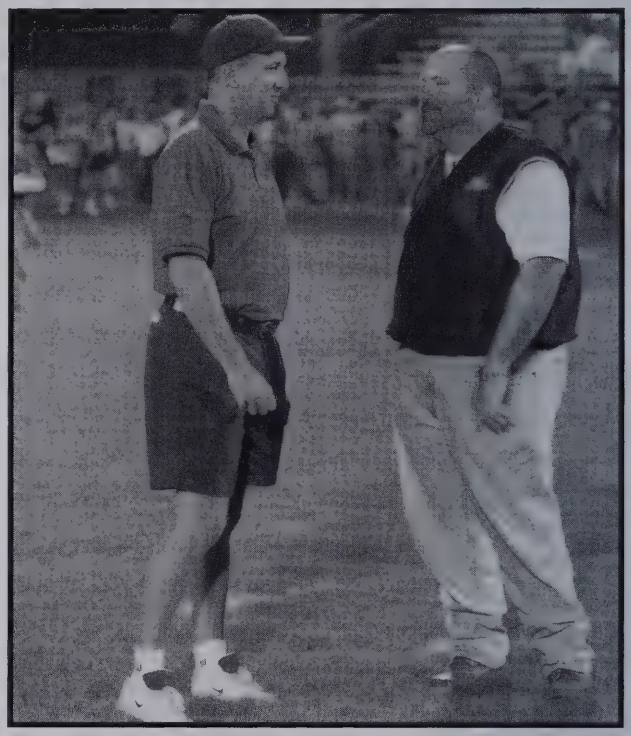

# Athletics

This year's athletic program saw a lot of changes– in the coaching positions.

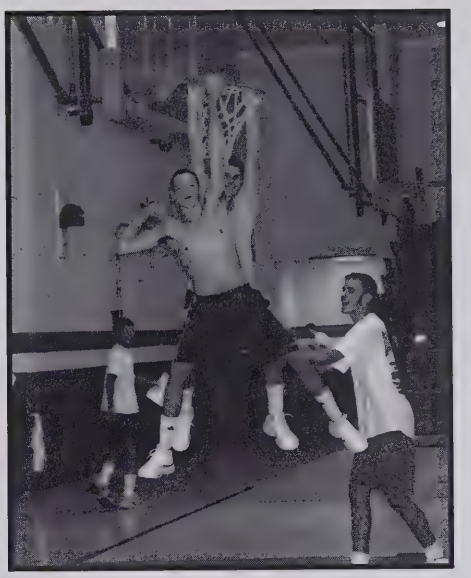

**Coaching Changes for 2000-01:**

Rocky Gaudin became full-time athletic coordinator and Walt Esslinger moved up to Head Football Coach (with a team that dressed 22 Seniors). David King was added as assistant football coach. Carva King and Dena Denham took over cheerleading duties. The new band directors are Anthony McWright and assistant Rita Wilson. Pam Slayton became our new girls basketball coach with Janet Nash as assistant. Cherie Labat is our new girls track coach, Regina Moran assumed head coaching duties for volleyball, and Bo Breland was added to the softball staff.

# SPORTS

# "The Pride of Hancock"

**The new millennium has brought about a great deal of change in the "Pride of Hancock".** Under the guidance of new head director, Mr Anthony McWright, new assistant director, Ms. Rita Wilson, and new dance team instructor, Ms. Jessica Molar, the HHS Band has struggled to successfully adapt to the new surroundings and also maintain the standards of excellence and dedication that have always benn associated with "The Pride".

The band started off the year with a "Latin Spectacular" half time show that filled the field with excitement and brought home all superior ratings and a most outstanding dance team award from competition. As soon as marching season is over, the band prepares for concert season and the upcoming music festival in March. This year the band will compete in Jackson on a state level for the first time in four years, and the event is bringing much anticipation.

As for the future, the positive and determined attitude that currently reigns over the band brings promise that the Pride will continue to grow not only in numbers, but also in strength, skill, and prosperity.

# Varsity Cheerleaders

**This year has been a year of many changes for the Varsity Cheerleaders.** First, Ms. Dena Denham, an HHS alumnus and cheerleader, became their new sponsor. Then, the girls opted to not have a Captain and Co-captain. These were major adjustments that took some getting used to. The cheerleaders were happy to cheer in the wind or rain to support their teams. To bring the year to an exciting close, the Varsity cheerleaders attended regional competition in Oak Grove. There they were named 4-A Small Varsity Regional Champions. In addition, they recieved an All-Superior rating, qualifying them for the MHSAA State Cheerleading Competition. The cheerleaders traveled to Jackson to compete against eight squads from across the state. There they recieved an Excellent rating. The cheerleaders would like to thank all who helped them this year.

# Hancock Football...

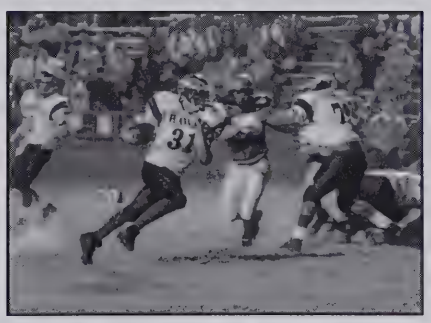

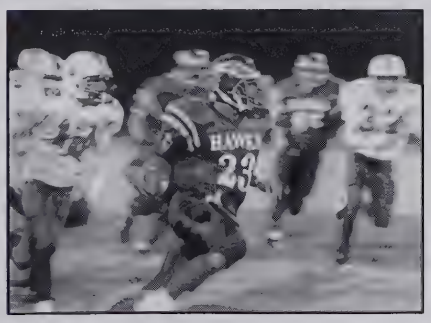

# Wow, What A Year... Hawks G

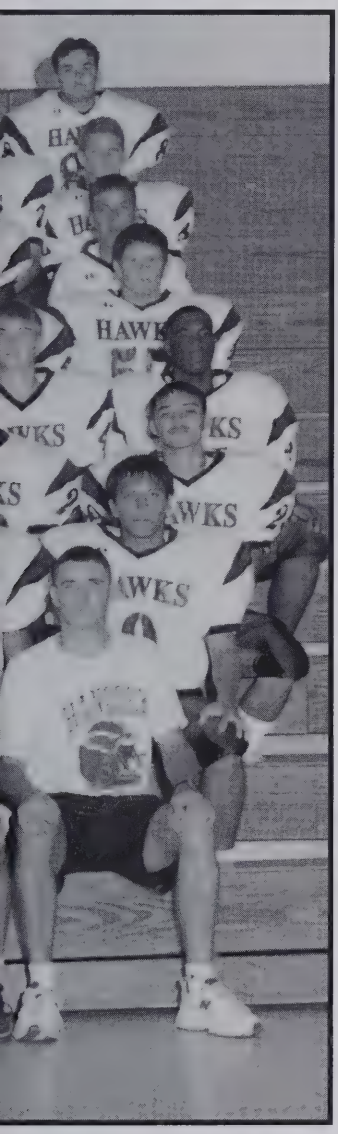

**A Season of Changes–** The 2000 football campaign began under new leadership. Coach Rocky Gaudin moved into the roll of full time athletic director and handed the reins over to Walt Esslinger. With a senior laden team and strong running attack, the Hawks soared out to an 8-0 start. Tough losses to Picayune and Columbia knocked Hancock out of the playoff picture, but landed them in the 61th Annual Shrimp Bowl. The offensive line opened huge holes for Chris Goff, who finished the season with over 2,000 rushing yards. All in all, it was a fine season with the Hawks looking for a strong return next year.

# Clubs

HHS has a varied group of clubs and organizations to satisfy the interests of just about everyone.

# CLUBS

# HHS Student Council

**The Student Council has a very large role to play at Hancock High School.** The Student Council takes the ideas from the student body and presents the information to the administration and superintendent. It also assists in school functions by helping prepare teachers for the new school year and showing new students around the campus. The Student Council awards scholarships annually to Seniors possessing leadership and academic qualifications. The Student Council also attends leadership workshops and aids civic organizations through donations.

# Exchange Students

**This year we were honored to have five foreign exchange students. Two of them, Natalie Moreira (Brazil) and Nora Bucholz (Germany), liked us enough to stay both terms.** Natalie says that she likes almost everything here in America, especially her host family and the people here at HHS. She comes from a hectic big city in Brazil and finds it very peaceful at her home here. Natalie, however, doesn't care much for our food. Nora was very excited about coming to America and feels now as if she's been here all of her life. She really likes her host parents and brothers and is very thankful that she got them as her new family. She says they treat her as one of their own. They really help out when she gets homesick for her family back in Germany.

*Natalie Moreira & Nora Bucholz*

# Rodeo Club

**The Rodeo Club has students who compete in various equestrian related arena events.** These events include barrel racing, pole bending, goat tying, breakaway roping, calf roping, team roping and bullriding. Each year we hope to have more participants from HHS and hope to qualify for the National Finals in Gillette, Wyoming.

*Rodeo Membership... Lanny Necaise, Rance Necaise, Lance Shaw, Lindsey Shaw, Marissa Lizana, & Ashley Necaise*

# JUNIOR RESERVE OFFICER TRAINING CORPS

**JROTC program was started in the school year 1993-94 with an enrollment of fifty-two.** This number has increased to a yearly average of 110 cadets. JROTC is under the instruction of CW2 (Ret) James E. Lewis and SGM (Ret) Larry Ladner. The program is broken down into three classes, called Companies, led by one Company Commander per class. Starting with the 1997-98 school year, Hancock JROTC has been awarded Honor Unit with Distinction each year, which is an award for exceptional performance in all areas of the JROTC program. At the top of the chain of command is the Battalion Commander, Cadet Kevin Hill, who works directly with the Executive Officer and Command Sergeant Major.

# LIFE GOES ON

# Homecoming 2000-01

## THE DISPLAYS...

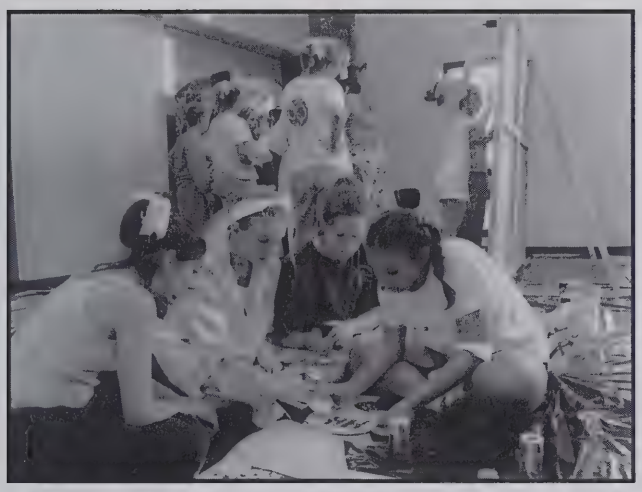

Top: Seniors leave their "Prints" behind on their display; Bottom: Sophomores with their 1st Place "Hail" worthy display.

Top: Juniors "Take'em by Storm" as usual. Bottom: Freshmen with their "Out of this World" display.

**This year HHS took a whole new approach to Homecoming display production.** Display panels were constructed by vo-tech students and then they were painted and decorated in the commons. Each class was assigned a color and each display committee member was required to wear a bandana of their class color while in their designated area. The displays were judged and the results were announced at the pep rally.

1st Place- Class of 2003, 2nd- Class of 2002, 3rd- Class of 2004, and 4th- Class of 2001.

Sportsmanship Award- Class of 2002, Pep Award- Class of 2001.

# THE GAMES...

**The Homecoming Games this year were combined to make one giant, action-packed relay race.** The first leg of the race was a 3-Legged relay. Then the racers tagged their classmates who participated in the Apple-Bobbing/Wheelbarroe race. Next was the HulaHoop Pass which ran directly into the CrabWalk. Finally, one sprinter from each class had to run with a basin of cold water from the fifty-yard line to the end zone. The results of the relay race were: 1st Place- Juniors, 2nd- Freshmen, 3rd- Seniors, 4th- Sophomores.

**The Annual Tug-of-War is always the biggest event of the Homecoming games.** This year was no different. All of the classes were really pumped as they lined-up their strongest members who dug in deep to try to win the most anticipated event of the week. After several "heats" of the Tug-of-War, the results were: 1st Place- Seniors (winning team shown left), 2nd- Juniors, 3rd- Sophomores, and 4th- Freshmen.

The Hawk's Nest is a licensed Child Care Center set up to provide Childcare students with the opportunity to work with children three to five years old. The Center has fourteen children who are involved in physical, emotional, and social and intellectual growth everyday. The Childcare students help with supervising the children as well as helping with these activities. The children also participate in many school activities such as pep rallies, food drives, homecoming, and integrated activities.

# HHS Gets Some Culture

One of the highlights of the bacteria unit in Shani Bourn's microbiology class is an integrated activity culturing yogurt. Students practice antiseptic techniques to grow live yogurt cultures within the lab. The following day includes freezing the live cultures into a tasty treat for students and faculty to sample. Ms. Bourn assures us that it's all safe, and after sampling the conclusion of this activity, we can all assure you that it's very, very tasty. We plan on covering this project again next year. *– Dianna Smith*

# Marissa Lizana

Marissa,

We are proud of you. You have grown to be a beautiful mature young lady, not only on the outside, but also within your heart. You've become a very responsible person. It's hard to believe these past 18 years have gone by so quickly. As you know, we find it very hard to let go but we know it's all part of God's plan.

As you go out into the world, there will be many challenges, some good and some not so good. Always remember to look to God for the right answer and keep Him in your heart.

We love you with all our hearts and always will. We will always be here for you. Say your prayers and be careful.

We love you very much,
Mama & Daddy

Marissa,

I know you know I love you and that the bond we have as brother and sister will never break. Be successful in life and have a good time in college.

# Congratulations, Michael Johnson! Senior 2001

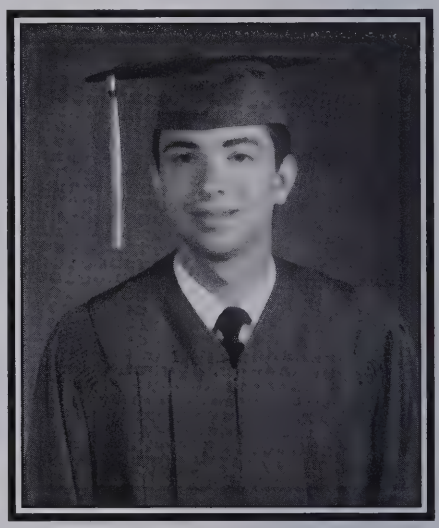

My Son,
A rare creative musical person that we love very much. You've struck a chord that was demanding, vivid and fast and straightforward. When you venture out in life, we wish you all the success and happiness in life. Time has gone by too fast since you were a baby and now you are a handsome eighteen. You have made us so proud. As you go on in life remember we love you and never forget that we will always be here for you. You are a special person, never forget that! Oh, Dad says keep you saxaphone reeds wet and your guitar strings tuned!!!

With Love, Mom & Dad

Congratulations
Michael,
We are so proud of you, you've grown so much, but you will always be my baby brother.

I Love You,
Sherrie

Michael,
I will always love you and back you up in whatever your life's dreams may be. Have fun in college and good luck. And remember, you'll always be my big brother!!!

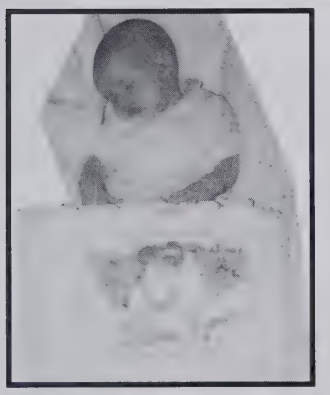

Love always,
Michelle Johnson

Congratulations from your Uncle Timmie!
Michael, as you go down the road of life, may you always choose the right path. Life is always made up of choices. It is the choices that you make that will make you who you are. It is mine and your family's hope that you will make choices that not only help you along your path, but will also not put obstacles in the way of others.

Love, Uncle Timmie

# Ryan Hoffpauir

## Congratulations Ryan

I am so very proud of you. You are a special part of me. I'm proud to call you my son. As you take your next step in life, continue to do your very best and always remember to keep God first.

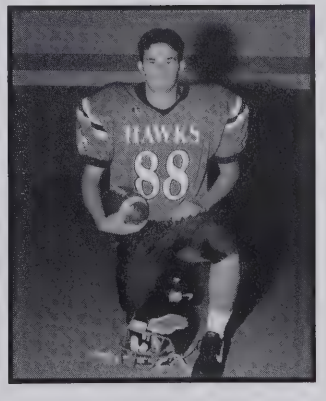

Spread your wings and fly.

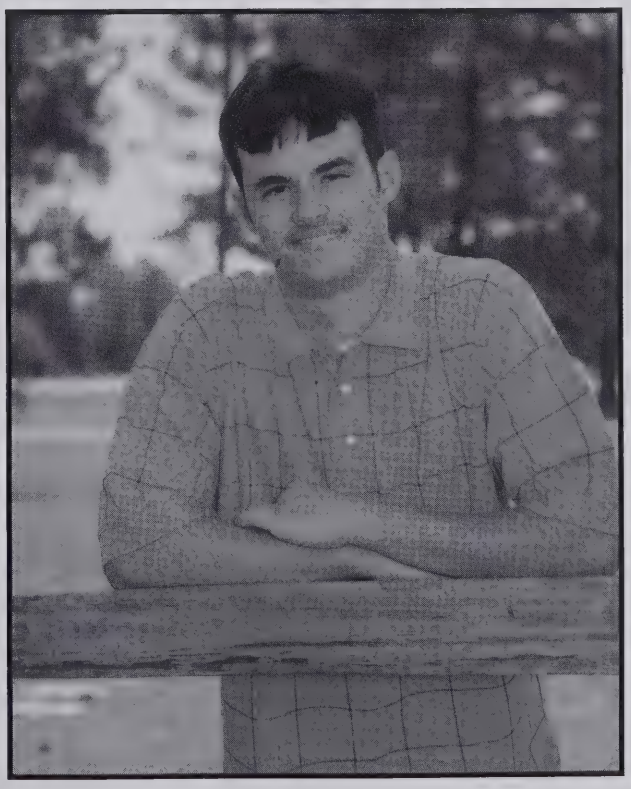

With all our love,
Mom, Brent, Shalyn, and Dustin

You may not know all that
the world has to offer...
but we know that the world
will be a better place
because of
what you have to offer it.

You may not know which path
you should follow...
but we know that you will
listen to your own heart,
for it will never lie.

You may question what you
have already accomplished...
but we know you will
never doubt what you can do.

### There is a Reason for Everything

Our Father knows what's best for us, so why should we complain?
We always want the sunshine, but He knows there must be rain.
We love the sound of laughter and the merriment of cheer,
But our hearts would lose their tenderness if we never shed a tear.
Our Father tests us often with suffering and with sorrow;
He tests us not to punish us but to help us meet tomorrow.
For growing trees are strengthened when they withstand the storm,
And the sharp cut of a chisel gives the marble grace and form.
God never hurts us needlessly and He never wastes our pain,
For every loss He sends to us is followed by rich gain.
And when we count the blessings that God has so freely sent,
We will find no cause for murmuring and no time to lament.
For our Father loves His children and to Him all things are plain,
So He never sends us pleasure when the soul's deep need is pain.
So whwnever we are troubled and when everything goes wrong,
It is just God working in us to make our spirits strong.

Helen Steiner Rice

*Elizabeth, I hope nothing holds you back from reaching all your goals. In your life I am sure you will have many great achievements– well, congratulations on one of them!*

*Love ya, Amanda*

*Elizabeth, It's been cool being your little sister. We've had a lot of fights, a lot of laughs, and a lot of listening to each others dreams. Now I get to see all your dreams come true. I know you've waited a long time for this day to come. Now its your moment in the spotlight and as I watch you get your diploma that you've worked so hard for, I'm wishing you the best. Congratulations!*

*Love, Your favorite lil sis, Lindsey*

*To our first daughter,*
*You have provided us with very special memories through your eighteen years. It's been a pleasure as we've watched you grow. We've walked together for many years and some very special moments that will always hold a very special place in our hearts. It doesn't seem it is time for you to graduate. Time has past so fast. As you join your senior class on Graduation Night, you will then realize all your years of efforts have paid off. You have finally reached one very special goal. Now you'll begin to make your decisions in life. Just always remember it will be very hard for us, as our baby girl is out in the world. You will always be very special to us and we are very proud of you. Congratulations, we'll always be here for you. With your strong will, you may achieve all your goals. Every thing takes time.*

*We Love You, Best Wishes,*

## Jeremy LaFontaine

The first time we met,
I bet no one thought
That we would be together
From the start.

For the past year
You have been very dear.
You were always there,
Right by my side
Even when no one else was.

You are now a Senior!
Soon you will be off to college,
And you will expand your knowledge.
You will learn more about yourself
And who or what you want to become.
I want you to know that I believe
You have the potential to succeed.

**Much ♡always,**

## Congratulations Jeremy!

We saw you take your first step and shed your first tears, picked you up when you fell and told you that everything would be alright.

We remember waiting for Santa, watching your eyes light up when you saw all your toys under the tree.

We remember your first date and then your prom, how excited you were. Those were the good old days when we could always be there for you and protect you.

You're now a Senior and all grown up with your whole life in front of you. The world is there for your taking. Remember you can be anything that you want to be, you just have to want it enough.

We have always tried to teach you right from wrong, and I hope you remember that.

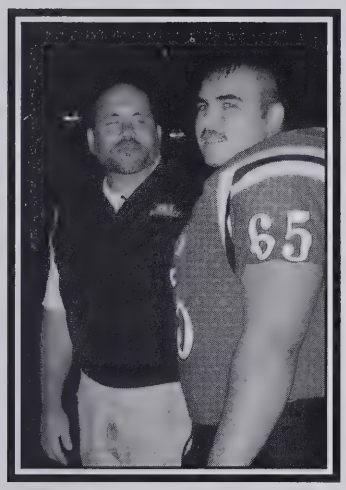

But always remember that we love you very much and we will always be there for you no matter what.

Love you always,
Mom and Dad

Abbs, I'm so very proud of you, not just because you're graduating high school or for your many other accomplishments, but also for being so positive and full of life, for being "REAL" and keeping the faith and your eyes upon God when I sometimes wanted to give up. You've been such a joy and full of fun and surprises. You've been my "HERO". I knew when you were born that God was only lending you to me for a short while. Watching you grow from infancy to the bright beautiful young lady both inside and out that you are now has not only been rewarding, but also the highlight of my life. I've been blessed.
This is not the end– it is the beginning of the rest of your life– YOU GO GIRL!! Love ya, Mom

Abbey, We are so proud of you. We know we haven't made it easy for you at times, but we wouldn't be true sisters if we would have. We love you and can't wait for more fun-loving memories. We wish you the best in the years ahead. May God bless you and keep you safe.
We love you always,
Angie, Courtney, and Hannah

Watching you grow up into a beautiful young woman has been a miraculous blessing and we love you very much. Remember, always take time to look deep into someone's eyes, laugh from the pit of your belly, and dance as if no one's watching. Love, Dad, Debra, and Brittany

# CONGRATULATIONS SHANE MARCEAUX!!

Life is what you make it out to be, so be sure to do your best! Life can only be understood backwards, but it must be lived forwards. Everything in life is temporary. So if things are going good, enjoy it because it won't last forever. And if things are going badly, don't worry because it won't last forever, either. Destiny is not a matter of chance, it is a matter of choice; it is not a thing to be waited for, it is a thing to be achieved. A journey of a thousand miles begins with one single step. One word must start each prayer. One voice can speak with wisdom. One heart can know what's true. One life can make the difference. You see, IT'S UP TO YOU! Remember, Shane– You are and forever will be The Wind Beneath My Wings! Strength is mighty, but wisdom is boundless, Keep Learning!

**We Love You, Shane**
**Mom, Reuben, Ashley, & Dalton**

Shane,

Thank you for being such a wonderful role model for my own children. They have learned a lot from you and you have always shown patience and understanding, especially when they needed it most. You have always shown respect and love for all of us. Thank you for making a difference in our lives. you are a very rare jewel, indeed. You've made us laugh and encouraged us to succeed. If A.J. was here, I know he would say, "I'm proud of you, JUNIOR!" We love you, Shane. You are the future! Keep your faith and you will never go wrong! God Bless You.

Love Always,

# CONGRATULATIONS CHRISTOPHER SENIOR 2001

As a baby, I've seen you laugh, cry, crawl, and heard you say your first word. I've watched you grow into a handsome teenager. We have shared quality times talking, hunting and fishing. Now you are a young man. You've kept your focus and your goals throughout your school years and are now carrying them into your future. I am very proud to say that you are my son. Good Luck with Love–

Dad, Maria, Carlos and Chelsea

It's been many years since your Grandma and I stood and looked at you through the nursery window. You have grown into a levelheaded young man with many accomplishments. You are making decisions that will affect the rest of your life. My love and prayers as well as all the love and prayers that your Grandma had for you will go with you as you make these new paths in life.

I'm Proud of You– Grandpa Bass

Who would have ever thought you would make it to Graduation? Well, I did. You were a pretty smart kid when I met you and now you've grown into a fine young man. You chose to join the Air Force and serve this great country of ours. What a great unselfish deed! We wish you all the best.

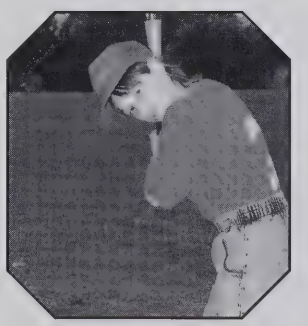

Congratulations–

Gigi, Marie, Jessica and Brooke

As I reminisce, I can remember the day that you were born and how happy we were. You were the first Grandchild in our family and through the years you've made us very proud. At this time in your life we are beaming at all your accomplishments. As you make new steps, in new directions, remember our prayers and the prayers of Grandma Bass are preceding you so that where you walk, God is always there waiting for you. We love you.

Congratulations–

NanNan, Larry, Nathan and John

Have a wonder beginning to a new and fulfilling life. Strive for the best and try not to break too many hearts.

Love– Greg. Shelly and Family

# YOU DID IT

Just when I was getting used to having another grandson, you graduate from high school and decide to join the Air Force. Remember the fun we had with our dysfunctional family nights and thanks for teaching me the Old School. I'm proud of you. Good luck in all you do.
Love–
MawMaw Mary

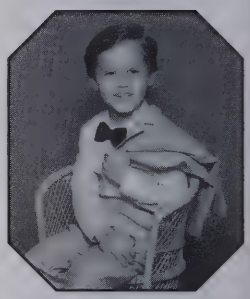

Bark, bark, bark, bark, bark, bark, bark, bark, bark, bark, bark, bark, bark, bark!!
Love– Pancho

The last twelve years have been a struggle for us. Being the child of a single mother is never easy. From the day you were born to your first step, from your first day of kindergarten to your graduation, from your very first accomplishment to your plans with the Air Force, always remember how proud you've made me as I've watched you go from one stage in life to another. Although times were hard, they were never as hard as having to let you go. You have taught me the true meaning of the phrase, "It was worth the struggle!" Keep Ambition in your eyes, Love in your heart, God in your prayers and always remember where home is.

Hugs and Kisses– Mom

You were only one year old when I was born. We have laughed together, cried together, and fought more times than I care to remember. Having you as a brother hasn't always been a good thing – and the idea of you graduating and moving out used to make me happy, but the truth is, I'm going to miss you. You will always be my BIG BROTHER and I will always be proud of that fact. Good luck in the Air Force.

Love– Your little sister, Brandi

I have had the pleasure of being a part of your life for almost five years now. In this time, I've watched you grow from a boy into a young man -- some mistakes were made on your part as well as mine, but that's called life. We learn from them and we go on. This next step that you are about to take is a big one, but in my heart I know that you will do fine. It makes me proud to be able to call you son. May the roads you choose be paved with success.

With all my love– Mr. Rob

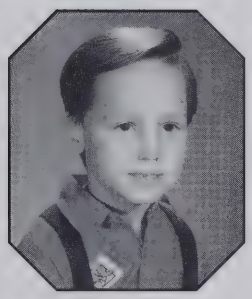

You forgot to bathe me and you didn't kill my fleas, but I love the way you scratch me-- are you sure you want to leave?

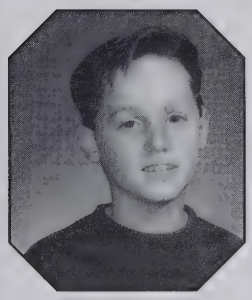

Bring me a bone– Harley

# CHRISTOPHER!

What can we say other than CONGRATULATIONS! You have traveled through the past twelve years with dignity and ease. As you close this door of your life, a new one opens for you in the Air Force. Always put God first and you will excel in this as you have all through school. You have been great as a Grandson. We love you and are so very proud of you.

Love– MawMaw Carolyn
and PawPaw Joe

To my oldest Nephew that I hardly ever see. I won't forget about the money that you owe me. May life keep you safe and surround you with love at all times.

Love–
Uncle Vance,
Aunt Candy
and Cory

We are proud of all the things you have accomplished so far in life. The only thing is, when you leave for the Air Force, who is going to teach my son how to be a real cowboy? Take care of yourself and don't forget us country folks.

Love always– Aunt Regina,
Uncle Boobie, Austin and Samana

To our Grandson, a fine young man: live long– love hard, and most of all, be honest and life will be good to you. Good luck in the future. In God we trust.

Congratulations–
PawPaw Jim and MawMaw Sandra

I look back over the past five years and remember the times we had hunting, fishing, and the trouble we got into when we wrestled into your mom's Christmas tree. Through good times and bad, it's been great having you as a brother.

Party Hard–
Robert Jr.

Being in the bedroom across from yours for two years has been quite an adventure. You are a fun and crazy guy. Thanks for all the laughs and the extra time I'm going have now that I don't have your clothes to wash. I wish you good luck in your future.
Love– Aunt Pat &
Tinky Winky

When you are feeling the least bit overconfident, just stop and remember the Round Pin.
Good Luck–

*We will never forget the day you came home and we surely won't forget the day you leave! So how soon can you get your bags packed? You are a special person in our lives– you are the only one who will watch our kids! You once were so small you would fit inside a shoe box, but don't worry, we didn't leave you in the closet for long. We think of you as our hero, not because you plan on saving the world, but because you managed to break the barrier that our parents set for us! We really have forgiven you for keeping us up every night for at least five years. We're still not sure how you managed to get all the looks and the body to top– I guess it's true that they save the best for last! (Actually, we just said that to make you feel good!) It's hard to believe that it is time for you to graduate. But don't expect huge gifts– it's not like you're the only one who's ever graduate before! The trick to getting huge gifts is to go to college and graduate!*
*We're not bitter– we really hope life treats you well. That way you can take care of us when we're old. We promise we won't pay you back for all those things we're not bitter about! Besides, it would be easier to raise a bunch of old folks than it was to raise YOU!!!*

## Congratulations Melissa!

We are very proud of your accomplishments. May God continue to guide you.
Love,
Dad, Mom, and Tammy

# ···Dana Necaise···

*Dana,*

*We are so proud of you. We knew you could do it. Hope you get everything out of life because you deserve it. Keep God in your heart and life and you'll go far. I know how proud our Guardian Angel is of his "Baby Girl". We love you and are very proud of you.*

*Love,*

*Mama, Alyson, Shana, and Daddy (Our Guardian Angel)*

*Dana, Life is filled with ups and downs, bot remember there is no mountain too high to climb. Keep your head high, reach for your goals and you will go far in life.*
*Congratulations!! We love you,*
*–Pyran, Nanny and Kids*

---

*Congratulations Dana! We love you. Hope you continue in school and go to the top.*

---

*Congratulations Dana, We are proud of you!*
*–Mynn, Kolton, Kaden and Kirk*

---

*Dana, I didn't what to say but to sign my name.....Diana & Beau*

---

*Dana, Congratulations, you did it!*
*Love – Aunt Diane & Uncle Wade, Wade, Tabatha & Girls*

*Dana, No matter how hard your troubles, a little effort will get you a very long way. Through your trials and tribulations, your faith in God, our love for you and the watchful eye of your Guardian Angel have helped you to achieve your goals and to know right from wrong. Its all up to you now to decide your future. Just remember, if ever in doubt or if you need anything, we will always be here for you. Congratulations, Good Luck and We Love You!!! – Ray & Kristi*

---

*Miss Priss, Hard to believe its this time of your life. We have to realize you've grown up before your eyes. If love could talk it would say DANA. Best of wishes and a lot of love always.*
*– Nanny, Uncle Sammy, Bubba & Tori*

---

*Dana, Words can't express how proud of you we are. We know your Daddy is smiling down on you. He will be with you Graduation Night as you take that long awaited walk. Reach for the stars and remember how much we love you.*
*Love – Gina, Danny, Dylan & Destanye*

---

*Dang-Dang, We knew you could do it! Don't stop here, let your beauty and ability take you to the top.*
*All our love – Beck, Andrew & Alexis*

# Congratulations Patrick!

*It seems like only yesterday we were celebrating the birth of our first born son. You have filled our hearts with love and happiness and so many memories. As you have grown, the adventures we have shared are held dear in our hearts. Now as you graduate, many new experiences are on their way and we are excited about sharing those with you. We know you will be the best you can be and will always make us proud to be your parents. We hope all your dreams and wishes for the future will come true and we will be by your side to share them with you.*

***We Love You,***
***Mom & Dad***

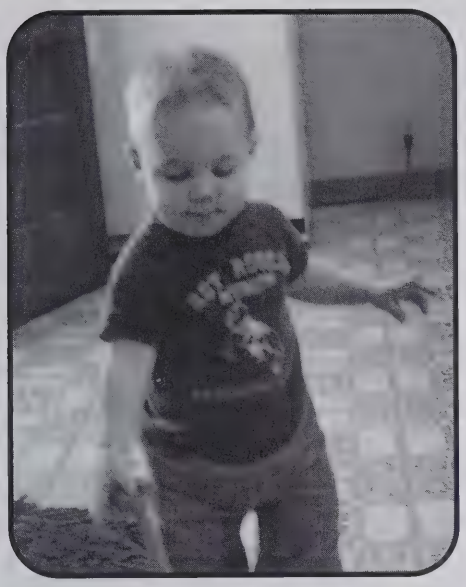

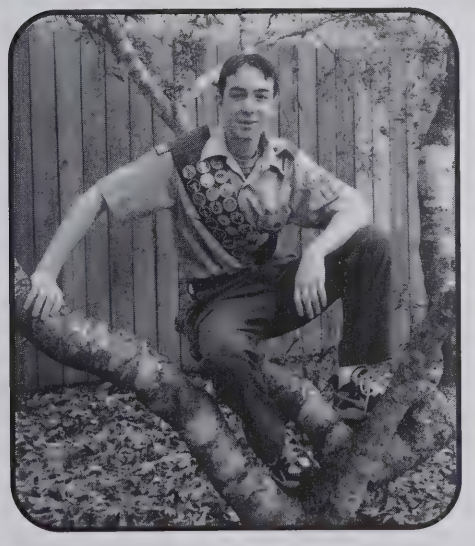

# Congratulations Daniel

It seems like just yesterday you were a baby. Now you have grown into a very unique, special, young adult. May all your dreams and hopes follow you as you accomplish your goals in life. May God continue to bless you in everything you do. We are very proud of you.

Love ya,
Mom, Dad, Brian, & PawPaw

*Melissa,*

*My wish for you is a life filled with happiness. Dare to dream and dare to make that dream happen.*

*Love always,*
*Your Godmother,*
*Charlotte*

# pilgrim

Pilgrim, how you journey
on the road you chose
to find out why the winds die
and where their stories go.
All days come from one day
that much you must know,
you cannot change what's over
but only where you go.

One way leads to diamonds,
one way leads to gold,
another leads you only
to everything you're told.
In your heart you wonder
which of these is true;
the road that leads to nowhere
or the road that leads to you.

Will you find the answer
in all you say and do?
Will you find the answer
in you?

Each heart is a pilgrim,
each one wants to know
the reason why the winds die
and where their stories go.
Pilgrim, in your journey
you may travel far,
for pilgrim it's a long way
to find out who you are...
